**Kent**  
Law Clinic

Kent Law Clinic is a service provided by students and staff from the Kent Law School, University of Kent, assisted by volunteer lawyers from the area. The aims of the Clinic are to provide a free legal advice, information and representation service for people in the area and to improve the legal education of students and staff, and their understanding of how the law operates in society.

**Kent Law Clinic, Wigoder Building, Eliot College, The University, Canterbury CT2 7NS**
