I N T R O D U C T I O N

We are all very happy to welcome five hundred new students with us, and wish them all the very best for their success and happiness.

The Gazette is intended to keep students informed of the opportunities open to them as members of this community. It is intended that issues will be circulated free every fortnight, as the chief source of advertising for student activities, and to inform students of the services and benefits provided by the University and the central organisation of the students.

Special and more permanent information issues, such as this one, will also appear from time to time at a small fee to cover extra administration costs.

As an experiment, the Gazette will have faults. Constructive advice and help is welcomed. Offers and letters should be sent to 'The Student Union' pigeon-hole in the I.P.S. (Internal postal system).

The point of this student union is to promote the interest of the students and the university by

- (1) representing students in matters directly concerning their welfare.
- (2) encouraging the growth of a community social life.
- (3) providing services direct to students.

Though work plays a small part in this peoples' paradise, the students organisation hopes that everyone will be able to help the community in a small way and will encourage them to do this. The more help and co-operation we receive, the more we shall all benefit.

The editors would like to thank all those who have helped to produce this Gazette.

History Society

The History Society is open to all members of the University. The Society meets about three or four times a term to hear guest speakers, to encourage the reading of papers by its members and to promote co-operation and discussion between Faculties and Colleges. Apparently it is advisable to have some interest in history if you want to join this society.

Subscription 2/6 p.a.
 Chairman: Maurice Garham
 Secretary: Tricia Ellis (E.C.)

ACTIVITIES IN CANTERBURY

This list comprises clubs and societies both in the University and in Canterbury. If a University club has its opposite number in Canterbury it is very often better to contact the latter via the former in order to take advantage of concessions to students. You are advised to see the relevant club secretaries about this.

(A) FACULTY SOCIETIES

Archeology Society

This society is open to all members of the University and to outsiders. There are plenty of interesting digs in this part of the country as well as architecture which is about to crumble. Three lectures a term by outside speakers are arranged. Subscription 2/6 per term.

President: Hannah Talbot-Ponsonby.

Canterbury Archaeology Society Secretary L. Lyle M.A., 3, Queen's Avenue
Sub. 7/6 p.a. for students (Telephone Cant.65745) Canterbury.

Friends of Canterbury Cathedral Secretary J.H.B. Young,
Messrs. Reeves and Young,
39, St. Margaret's St. Canterbury
(Tel. Cant. 64484)

Economics Society

This society caters mainly but not exclusively for the students and staff of the Social Sciences Faculty. The aim is to hold four or five meetings a term at which eminent academic and applied economists can speak about their own specialities. Some of this term's speakers include Professor Lipsey; Mr. Dudley Clark, an economist at I.T.C.; and Mr. B.A. Bates, Associate Director of "British Market Research Bureau Ltd".

Social events are also arranged, the first of which will be a Grand Beer Evening on 12th October at 8.30 p.m. in the Upper Common Room of Eliot College. All those interested in joining the Society (especially confirmed teetotallers) are very welcome. Subscription 5/- per annum. A charge will be made to non-members for entry to meetings. President: Bill Fairhall (E)
Secretary Roger Mitchell (E)

History Society

The History Society is open to all members of the University. The Society meets about three or four times a term to hear guest speakers, to encourage the reading of papers by its members and to promote co-operation and discussion between Faculties and Colleges. Apparently it is advisable to have some interest in history if you want to join this society.

Subscription 2/6 p.a.
Chairman: Maurice Garnham
Secretary: Tricia Ellis (E.C.)

Mathematics Society.

You do not have to be a Pythagoras or Euclid to join the Maths Society, as meetings are of general interest to everyone, on such subjects as opinion polls, work studies, statistics and so on. Eminent outside speakers, such as Professor Ledermann, and post-graduates within the University address the Society. All new members very welcome.

Subscription: nominal
 President: Richard Hackworth (E.C.)

Philosophy Club

It has been agreed that the four classes of propositions or judgements are

Dsynthetic a posteriori
 synthetic a priori
 analytic a priori
 analytic a posteriori.

It is further agreed that of these only the first three can exist. However the N.F.C. philosophy club disproves all this theory in one moment. Accepting, as we must do, that the philosophy club is a proposition, though not a judgement, we are aware by experience that it exists, therefore it is a posteriori. Yet anyone who has been to meetings may come away feeling that all the discussion is about the meaning of words and that it does not give us any information, therefore making it analytic!

It also has that synthetic a priori quality in that it is a metaphysical concept without shape, or form, or reason, much like a continuous creation theory of the universe, which means that the Philosophy Club has some meaning to us all.

Subscription: there is some doubt as to whether one exists.

If interested in this dubious club, please contact Eric Millstone.

Physical Sciences Society

This Society caters mainly for scientists, by engaging outside speakers and going to see places of scientific interest, including breweries. Meetings usually take place in the Physical Sciences Lecture Theatre.

Please contact Paul Jordan if interested.

Politics Society

The Society is open to all members of the University and it is a non-party concern, with a lean to the Left, for Tories unite to bring back the equilibrium. Academics from outside the University address the Society two or three times a term (this is possibly because of their superiority to the academics inside.)

Bar Billiards

A Bar Billiards Club is to be formed this week and details can be found on the Union boards. Those who wish to play Bar Billiards must join the club in order to protect the tables against damage by careless players.

Basketball Club

The club is open to all who pay subscriptions. There are two teams, one in The East Kent League and one in The Canterbury League. The club is also participating in The Universities Athletics Union Championships this term. Most members belong to the Amateur Basketball Association.

The club plays at the Archbishop's School on Monday evenings.

Subscription: 5/- per term.
Secretary: Photy Lascarides (E.C.)

Ten-Pin Bowling Club

The Bowling Club is to be formed this week, and details can be found on the Union Boards. The club will lay on transport to Whitatable Bowling Alley in the afternoon to take advantage of cheap rates.

Canterbury Bowling Club (Green)

W.A. Davy, 68, Hillside Avenue, Canterbury.

Bridge Club

The club is open to everyone, and beginners are welcome because the aim of the club is to promote good bridge, so if you are lousy at it you simply must join. The club plays contract and duplicate bridge at meetings, and rustles up teams to play local clubs and other Universities. Coffee is served to keep you awake.

Subscription: 5/- p.a.
Secretary: John Earl (E.C.)

The Chess Club

The club meets once a week and is open to all members of the University. Although all matches last year were played against local teams, it is hoped that a team from Kent will compete in the Universities' Tournament next April. All aspiring Champions welcome!

Subscription: 2/- per term
President: doesn't exist.
Secretary: Colin Orchard.

Canterbury Chess Club

Treasurer/Secretary A.K. Henderson, Elmstone Court,
Wingham (Preston 270).

The Cricket Club

The cricket club is open to all members of the University. Members have the privilege of being able to use the indoor nets at the County Ground out of season, and the club has its own pitch very near the University. The team did remarkably well last year and looks forward to an even more successful season in 1967, so all new members will be very welcome.

Subscription: 10/- p.a.

Captain: Roger Sutcliffe

Secretary: Andrew Barclay

Kent County Cricket Club

Secretary L.E.G. Ames,

St. Lawrence Ground,

Canterbury (Cant. 63421)

Cross-Country

The countryside around the University is ideal for this sport, but its success also depends on the amount of support it receives, so the secretary will be pleased to see all enthusiasts, whether novices or veterans. The club hopes to provide track-suits for hire at 5/- per term.

Subscription: in the region of 2/6

Secretary: Ken Jackson.

The Fencing Club

The club meets once a week for coaching by Professor Mallard who is a coach to most of East Kent. Membership is open to everyone and all new members will be most welcome, regardless of their standard. With enough support it is hoped that matches will be fought this term. Equipment provided.

Subscription: 10/- p.a.

Secretary: Carolyn Jackson (E.C.)

Football Club

Anyone interested in playing or supporting soccer may join. Members must supply their own shorts and socks, but vests are supplied by the club. Training facilities at St. Edmund's School, Giles Lane. The club is taking part in the Universities Athletic Union Championships this year, and also plays local clubs, schools and universities.

Subscription: to be decided.

Captain: Peter Davies.

Secretary: Jim Rowark.

Golf Club

The Golf Club is open to all sexes and all status groups in the University and it is affiliated to the Canterbury Golf Club which offers cheap rates to post-graduates and undergraduates. The Club only has a limited amount of clubs so it is advisable to bring your own. Members play on the Canterbury Golf Course, Scotland Hills, but there is no play at week-ends or after 5.0 p.m. on any day.

It is hoped that lessons and nets will be arranged if there is enough support.

Subscription: to be decided.
Secretary: Malcolm Norris (E.C.)

Canterbury Golf Club

Secretary, I.F. Naylor, Canterbury Golf Club, Littlebourne Rd.
Canterbury (Cant. 63586)

Hockey Club

The Hockey Club is open to both men and women and is run by a Joint Committee of both sexes. It is hoped that anyone interested will join the club, even if they are only able to play the occasional game. The club has its own pitch in Giles Lane. Members are expected to supply their own sticks and boots, but it is advisable to see the appropriate captain about the vest of the ensemble.

The subscription has yet to be decided. Last year it was 7/6, but in order to aid the Government's deflationary efforts the committee hopes to lower it to the clump sum of 5/- p.a.

Ladies: Captain: Sue Burnham
Secretary: Ann Mitchell

Men: Captain: Peter Karmali
Secretary: Selwyn Richardson.

Canterbury Hockey Club

Secretary R.J.E. Waye, 28, Hillview Road, Canterbury. (Cant.63940)

The Judo Club

The club meets once a week and is open to all members of the University, regardless of standard. A Dan grade instructor comes over once a fortnight. The club hires out judogi to new members for the first term, but if they wish to continue judo after that they will be expected to provide their own. The club participates in The Kent Judo Championships and has joined The British Universities' Judo Association. There is, therefore, plenty of scope for those who want to enter individual and team championship events. The club hopes to put on displays and branch out into Kendo and Karate eventually.

Subscription: 7/6 per term or £1 p.a.
Chairman: Eric Millstone
Secretary: Valery Grant (R.C.)

Canterbury "Judokwai"

J. Herbert, 7, Deerings Close, Bridge.

Lawn Tennis Club

Everyone is deemed a member of the Tennis Club and has use of the University Courts in Giles Lane. Subscriptions are only required from those who play for the University teams. Weather permitting, the club plans to hold an Autumn Tournament this term, in which all new players will be welcome to partake. The Club plays other Universities and local clubs, and holds its own University Championships annually.

Captains: Valerie Clemson

Neil Brown

Secretary: Rick Gosling.

Mountaineering Club

If you don't suffer from vertigo and like this sort of risk, contact Jim Murray (R).

Ladies Netball Club

Any member of either college may join The Netball Club, and it is hoped that there will be both college and University teams. The club plays other universities and local teams. All equipment, except shoes, is provided for matches. If interested please see your college netball representative: Daphne Leggeter (E) Jane Deakin (R).

Subscription: 6d per week or 5/- per term.

Secretary: Rosalind Baldwin.

Riding Club

The Riding Club is open to all horses, at The Ridgehill School of Equitation, Etching Hill, on any afternoon or evening during the week. No special garb is necessary and hats are provided. The club is affiliated to the British Horse Society. Complete beginners and riders of any standard are welcome. The club participates in the Inter-University competition.

Subscription: 10/- p.a. or 4/- per term.

Chairman: Jennifer Roy (E.C.)

Secretary: Colin Love (R.C.)

Rifle Club

A rifle club has been formed, but arrangements have not yet been finalised. The facilities offered by this club should not be overlooked either by potential Al Capones or those of a more peaceable nature. Please contact Nicky Avery (R.C.)

Canterbury Rifle Club

Treasurer/Secretary J.A. Boyce, 115, Old Dover Road, Canterbury.

Rugby Union Football Club

The club is open to all members of the University, male and female(!), whether they play rugby or are just interested in its many associated activities. The club uses a pitch in Giles Lane: teams play other universities, local teams, and London Clubs, including a Harlequins XV.

Subscription: 5/- p.a.

Captain: Ken Jones (E.C.)

Secretary: David Tweed (E.C.)

Sailing Club

This club is a member of the British Universities' Sailing Association, and it is recognised by The Royal Yachting Association. The club is affiliated to Herne Bay Sailing Club, and all members are entitled to all the privileges of its membership during term time. At the moment the club owns one Firefly and will shortly be purchasing another. Membership will be restricted to 40 until a sufficient fleet is acquired, so if you are interested in Sailing it is advisable to contact the Secretary as soon as possible. The club hopes to sail on Westbere Lakes, near Sturry, in the winter.

Subscription: 10/- p.a.

Commodore: Jeremy Hutchinson.

Table Tennis Club

The activities of the club were rather modest last year, but since it is open to all members of the University, it hopes to receive a lot of support this year. There is a full programme of fixtures for men's, ladies, and mixed teams, and the club has entered for the Canterbury and District Table Tennis League. There are also ladder and knock-out competitions within the club. Playing facilities are available at the University.

Subscription: 10/- p.a.

Secretary: Dave Tyler.

Tiddlywinks Association

Secretary: Roy Crate.

Volleyball Club

If interested please contact

MUSIC

There is music to suit all tastes for those who like to play, sing, or simply listen. A comprehensive list of the records of those who would like to extend their knowledge of serious music, by borrowing the records of others and lending their own, is being compiled by the Union from the forms circulated, and will shortly be distributed. No limitations are put on those who do not themselves have many records, but steps are being taken to protect and insure records against damage.

Folk Club

The Folk Club is open to everybody, and it is well worth taking advantage of such a generous offer. Top performers are engaged; there is a folk workshop and plenty of scope for players and singers. The Club hopes to form English Trad., American Blues, and "Pop" folk groups this term, so all talent in these spheres is needed. Meetings as advertised.

Subscription: 2/6 per term.

Chairman: Derek Maxted

Secretary: David Lepper.

Canterbury Folk Dance and Song Society

Secretary: R. Cartwright, 9, St. John's Place, Northgate, Cant.

Jazz Club

Membership is open to everyone and even if you don't belong you can benefit from it, specially if your room is nearby and you aren't deaf. The club caters for mod and trad enthusiasts by engaging outside groups, having record sessions and lectures on related topics. The club hopes to start a group this term, so an influx of jazz musicians will be most welcome. Meetings are as irregular as the music subscription: 5/-

President: Dick Bennett.

Secretary: Chris Coles.

Canterbury Jazz Club

Secretary: J. Kelk, 15, Vauxhall Road, Canterbury.

Music Society

The Society promotes and co-ordinates musical activity within the University and is open to all. Activities include the Choral Society, The Madrigal and Motet Group, the Orchestra, and The Chamber Music Group. The Choral Society meets every Wednesday at 8.30 p.m. in the Hall of Eliot College. Works under rehearsal for 1966/7 include some by Vaughan Williams, Britten and Handel. The Madrigal and Motet Group is a selected choir, details of which will be appearing on Music Society Notice boards. The Orchestra meets on Thursday evenings at The Music Centre, Canterbury. Details of The Chamber Music Group will be announced.

For further information, please see the

Secretary: Libby Montgomery
 Subscription: 10/- p.a. (Joint subscription with
 Opera Society is 15/- p.a.)

New Two

The "New Two" are Sebastian Graham-Jones and Richard Willing-Denton. Their repertoire includes ballads, blues and beat music, and they use Spanish guitars, electric guitars and an organ. They have played at many parties, dances, and shows at Eliot College, and have appeared on Southern T.V., in night-clubs, and on the Continent. At the moment they are playing more for enjoyment than profit, but if they take this seriously they should have considerable success.

Opera Society

The Opera Society, which is open to all members of the University, aims to promote the best possible performances of opera within the University, by engaging a professional producer, conductor and singers, and by engaging a limited number of professionals in the orchestra. The Opera Society can also obtain block bookings for Covent Garden (Opera and Ballet) at half-price. The conductor at the moment is Roderick Brydon from Sadlers Wells. In October 1967 the Society will perform Gluck's "Orpheus et Eurydice" at The Marlowe Theatre. All keen singers and orchestral players are invited to see the Chairman, Richard Percival, (R), who will supply further details.

Subscription: 10/- p.a. (Joint sub. with Music Society
 is 15/- p.a.)
 President: The Earl of Harewood.

Canterbury Choral Society.

Secretary, B.H. Arnold, "Cornerways", Bridge. (Bridge 305)

Canterbury Amateur Operatic Society

Secretary: G.W. Dawes, 81, St. Peter's Lane, Canterbury.

Canterbury Junior Orchestral Society

Secretary: G.W. Dawes (as above)

Out of Phase

Dave Tweed, Pete Wardour, Roger Sutcliffe, Gerard, and Dave Mogg. Play rhythm and blues well (3 star standard). Occasionally play for parties and dances (not terribly good on charity performances). Looking for singer - sex unimportant.

University Group

David Petersen, Alan Morrison, and Steve Wheeler. These three guys make a wonderful noise and can be booked for parties and dances. They were a fantastic success at the New Universities Festival. In fact, they are so good that we cannot disclose their group identity.

(D)

POLITICSAnti-Apartheid Society

This society had a bad year last year, though they did manage to expel Outspan oranges from Eliot College.

Chairman: Brenda Sims (R.C.)
Secretary: Di Wignall (E.C.)

C.N.D.

C.N.D. opens its doors to everyone whether or not they are members of the University, as long as they agree partly or wholly with its policies. There is local action and liaison with Kent C.N.D. C.N.D. meetings with visiting speakers are not regular but will be advertised as arranged. Oxfam Austerity Lunches are arranged fairly regularly by C.N.D. and Social Action. The cost of these lunches is 2/6 or three lunch tickets for rolls, cheese, and coffee. You do not have to be a member of anything except the human race to help Oxfam, so please support these lunches generously.

Secretary: Derek Maxted.

Conservative Association

The Association exists to create a general interest in politics and to provide active members for the Conservative Party. It is open to everyone, and a Wine and Cheese Party has been arranged to welcome new members. Speakers for this term include Sir Alec Douglas-Home, David Crouch M.P., and Sir J. Harwood Harrison.

Subscription: 5/- per year or 10/- for three years.

Chairman: B. Chapman

Secretary: R.A. Naylor.

Canterbury Conservative and Unionist Association

Secretary: Councillor E.C.F. Brown, 9, Hawks Lane, Canterbury.
(Cant. 64187)

Young Conservatives

Secretary: 9, Hawks Lane, Canterbury. (Cant. 64187)

The European Society.

The European Society aims to stimulate an interest in all European affairs, and, in particular, to encourage support for Britain's full participation in a United Europe. It is linked through the British Council of the European Movement and the Committee of Student European Associations to other organisations in Europe working for the same aim. It is, essentially, a non-party group and therefore membership is open to all members of the University, many of whom, it is hoped, will give the Society strong and active support.

Subscription: 2/6 p.a.
Chairman: Diane Vlastic
Secretary: Hugh McLintock.

Labour Club

Membership is open to all U.K.C. students and staff. The Labour Club is not affiliated in any way to the Labour Party, but it fosters left-wing ideas, discussion and sympathy inside the University, whilst linking them positively to external action. The club is committed to the Labour movement as a whole: its tenets are "Controversy and Doctrinal Tolerance". An attempt is made to balance the termly programme between formal lectures, discussions, reading-groups, and debates. Emphasis is placed on controversial and academic speakers rather than those who are inhibited by party discipline. This term's full programme will be announced on October 10th. As the largest Political Club, the Labour club welcomes controversy, so join now!

C.Z.A.M.

This is a new venture by the students of Canterbury. The magazine, whose present circulation will be restricted to the colleges in Canterbury, if successful, may be circulated on a larger scale later. The idea was conceived at the end of 1965, and after many practical and technical problems had been overcome, the first edition was launched and the staff are pleased to announce that it will be on sale during the second week of this coming term.

The magazine, it is hoped, will be basically cultural, catering for the students of all colleges, from the architects to the philosophers, and one of its main aims is to channel the interests, views, and opinions of all students into a common pool, and establish a basis on which inter-student relations can be fostered and encouraged, to provide greater understanding between young people of all ages, backgrounds and branches of learning.

Please contact Julian Worthington (E.C.)

Joe Ward-Bailey (R.C.)

COMMUNICATION

Communications with the Union organisation.

The offices of the Union are at 4, Station Road West, (Tel. 65224) opposite the University offices at Westgate. Mrs. Casin, the paid Union secretary, will be working from 2 - 5 every weekday afternoon, and all enquiries, advice and help can be either telephoned through her from the Union College Committee Rooms (Rutherford committee room 1, Ext. 431, Eliot N.3.4. committee room 1, Ext. 364) or sent via the student union pidgeon-hole in the I.P.S.

Direct communication

A list of the times of all meetings of the student organisation will be posted in the Gazette. It is intended that these should be held regularly, and, generally publicly, and that minutes of all important matters circulated free to all S.U. members in the Gazette. S.U. also intends to hold a series of coffee parties in which members of the organisation will be able to discuss union business with their members and to seek their advice and help.

Telephones

There are three public telephones in each college at the top of the Dining Hall stairs. Incoming calls for students cannot be accepted but the Porters will leave messages in pidgeon-holes.

Telegrams

When Porters receive telegrams for students they will do their best to contact the person concerned immediately. If they are unable to do so, the telegrams will be left in pidgeon holes.

Inter-College Mail

Boxes for inter-college mail for students will be in the Porters Lodges of each college. At the moment times of collection are irregular, but fairly frequent. Nevertheless, if you wish to communicate something urgent you are advised to deliver the mail yourself.

NOTA BENE All Union mail should be put in the Union pidgeon-holes.

A posting box and stamp machines are situated in the first courts of both colleges near the Porter's Lodges. There is also a post box just past the roundabout in the University Road, from which more frequent collections are made.

UNION FACILITIES

N.U.S. Holiday Work

The Union acts as a central pooling body for holiday jobs, receiving information from N.U.S., the Labour Exchange (Ministry of Labour, St. John's Lane, Cant. 62201/2) and from the local farmers and industry. Information can be obtained from the members of External Liaison responsible. (To be announced shortly).

N.U.S. Holidays

As members of N.U.S., members of U.K.C. Students Union are entitled to all N.U.S. facilities, obtainable through the N.U.S. Secretary (to be appointed shortly). A large number of holiday organisations also send information which will be posted on noticeboards. Ski-ing trip arrangements are being initiated by S.U. S.U. is also circulating a questionnaire on holidays, the information from which will be filed, and open to anyone who wishes to see it.

N.U.F.

Last year we took part in the New Universities Festival held at Keele in Staffordshire. The other universities taking part were Sussex, East Anglia, Essex, Warwick and York. We contributed plays, poetry readings, folk singing, jazz and beat music.

S.U.N.

The Southern Universities Network has been recently formed to include Reading, Sussex, Surrey and Kent, and later Southampton. Each university in turn offers a weekend's entertainment on a specific theme.

We are to hold a film and photography project on October 28/30th entitled

"The Communication of Ideas", in which we are making a special study of Hitchcock and Bunuel.

Baby Sitting.

A Baby Union was established last term to provide employment for those who liked to have babies. Demand for babies is to be increased by means of advertising; but rates, 6d. of which is encouraged to go to chastity, will remain at 2/6 an hour, due to the peristatic freeze. Those who would like babies are encouraged to fill in the form. For directions see Val White.

Notepaper.

Union notepaper is available to all clubs and societies from the Union at cheap rates. Headed College notepaper is also available from the Union for private use at cheap rates. Examples of the notepaper will appear on notice-boards.

Advertising.

Last year there was an overproliferation of very expensive advertising which confused rather than helped societies. To help society cash, society secretaries, and the members, the Gazette, appearing fortnightly with a list of coming activities, will be the chief source of information and advertising. Society secretaries are asked to keep extra advertising to designated notice-boards, and circulars should get S.U. authorization. The Union is also prepared to duplicate society information off skins.

If, however, you do not pay it, your pension will suffer. (Assuming that the government will have enough money to give you a pension anyway.)

VII. RESTAURANTS.

The Arcari.

St. Peter's Street. Chips with everything, but clean, very pleasant, and reasonable prices. Welcomes students.

Castle Restaurant.

71, Castle Street. Good substantial meals, mainly grills at very reasonable prices. Light snacks not served between 12 and 2 or after 6.30. Main dishes between 3/- and 12/6. Essential to book at peak hours.

Cathedral Tea Room.

37, Burgate Street. If you want to be civilised for a change this restaurant is well worth a visit either for magnum size cups of coffee at 10d or delicious tea. Cakes are fantastic and cheap. Treat yourself to some of their home-made fudge and chocolates too.

Cherry Pie.

St. Peter's Street. Espresso coffee downstairs. If you are really starving you might wish to eat in the restaurant above for 6 or 7s.

Continental Grill.

13-15 Church Street. Not outstanding but above the local level; recommended for cheap continental food and drink. Levantine specialities, particularly moussaka, are delicious. Main dishes from 7/- to 14/6.

Dining Rooms.

St. Dunstan's Street, near Westgate. Victorian decor and not attractive from outside, but it's cheap, clean and there's plenty of it. Try bacon sandwiches and fry-ups.

George and Dragon.

At Fordwich, near Sturry. Superb and well worth your money. About 1 gn. for 3 courses. Booking is essential.

Hop Kweng.

2, Lower Bridge Street. Very popular. Reasonable prices and generous helpings of usual Chinese food. Table d'hote 4/6. Advisable to book on Sat. evenings. No dogs.

Kashmir.

Palace Street. New Indian Restaurant. No-one knows much about so try it out and let us know.

Lok Yin.

St. Peter's Street. Medium standard. Not very exciting as far as Chinese restaurants go and rather expensive for what you get.

Ricemans.

The top floor restaurant here is fairly expensive but well worth it. The coffee flows liberally and is cheap. Fashion shows on Thursday mornings add to the pleasure. You are advised to look decent if only to get the best service.

Slatters.

St. Margaret's Street. Very expensive but first class everything, and ideal for golden weddings, twenty-firsts and so on. There is also a cheaper side in the older part of the hotel. Essential to book.

Trattoria Roma Antica.

9, Longport. Medium prices for excellent Italian and English food. Wine list rather dear. Pancakes very strongly recommended. Booking essential.

Waiting Room.

East Station. Usual B.R. fare but home-made fruit-pies are first class.

Wimpy.

St. Peter's Street. Don't sit by door if you want hot food.

Woolpack Inn.

Chilham (3 miles). Reasonable prices for very good food. Good selection of wines. Coffee can be had in deep armchairs by roaring fire (or in large cups). Booking essential.

VIII. PUBLIC HOUSES.

The 100 or so Public Houses in and around Canterbury differ widely in several aspects, brewer, decor, service etc. so that something can be found to suit all tastes. We list here a few, just as a rough guide, with which we have become acquainted during the past year. However, we must point out that exclusion from this list is in no way a condemnation. Indeed many very worthwhile pubs must inevitably be omitted.

through no fault of their own.

Apart from the many pubs in Canterbury, there are many for example The George and Dragon, Fordwich, which are well worth a trip for an evening. However, half the fun is finding your own 'local' and we feel sure that you will find somewhere in this beautiful city a pub to suit you.
