

# Adverse weather plan – Priority areas

## Priority 1 areas

- Priority footpaths
- Priority roads
- Priority car park
- Public highway (KCC responsibility)

## Priority 2 areas

- Roads
- Footpaths
- Car parks

Building entrances, ramped access points to accommodation, external fire escape staircases, routes to accessible parking bays and secondary footpaths will be completed as priority 2.

University roads and paths will continue to be treated throughout the day while the temperature remains below freezing as labour, equipment and materials permit.
