

It has been decided by the University of Kent’s Transport team of Estates that effective 1 September 2021, all public members of Kent Sport (except for physiotherapy patients) will need to start paying for parking on the Canterbury Campus if you are parking your vehicle from these times Mon-Fri 8am-5pm.

You can purchase your parking permit by registering your vehicle on [this link](#) and then choosing to buy an annual, quarterly, monthly or daily voucher.

We will also need you to fill out the [verification form](#) and email to memberships@kent.ac.uk for Kent Sport to validate your parking permit application.

The parking permit rates are as follows:
