POSTAL ADDRESSES

Kent Hospitality

If your parcel has been delivered to reception, please wait until you receive an email from the reception to come and collect it. This is to allow us to process all mail safely in our limited storage areas. You will need to bring your KentOne card as ID to collect mail.

Please remember, we can only accept mail that is in the room occupant's name and with the correct address. Your address format is displayed on the envelopes below.

Always try to arrange for parcels to be delivered when you or a flatmate will be home. This way parcels can be delivered direct as couriers will always try to deliver to your front door first. There are also three Amazon lockers on site for you to use.

Don't forget to check for letters too!
