If your department and/or section is not on the list above, or listed as recruiting, it means it does not yet have a Sustainability Champion! Please get in touch with the Sustainability Team at [sustainability@kent.ac.uk](mailto:sustainability@kent.ac.uk) if you are

interested in the role and what it entails. If you do have a champion, then please get in touch with them as champions always need extra support. There is no limit on the number of champions within a team.

If you have noticed any mistakes in the above table please do get in touch and let us know.
