

Termly Flex Meal Plan

Terms and Conditions 2024

Please read these Terms and Conditions fully and carefully before purchasing the **Spring Term** Flex Meal Plan.

The cost of the Spring Term Flex Meal Plan explained

The Flex Meal Plan costs **£680** for the **Spring Term** (Saturday 13 January 2024 – Saturday 6 April 2024).

It is designed to be used every day of the week, Monday – Sunday, up until, but not including the Spring Vacation. In total, that is **85 days**.

Students with a Flex Meal Plan receive an allowance of **£12 a day to spend on food and drink**.

If you multiply £12 by 85 days, you'll notice this comes to £1,020. However, we apply a **33% discount**, so you only pay £680.

In other words - pay £8 per day, get £12 to spend!

The maths simplified:

£12 allowance x 85 days = £1,020

(Apply 33% discount)

Total: £680

Please note: If you live in Rutherford College, Becket Court, Keynes College, or Eliot College accommodation, please remember the Flex Meal Plan is already included in your accommodation fees. However, there's nothing stopping you from having two Flex Meal Plans if you wish, you will simply double your daily allowance.

How to use the Flex Meal Plan

You will receive an allowance of **£12 a day to spend on food and drink**. This allowance can be used in any of the 7 participating restaurants, bars, and cafés on campus.

The £12 Flex allowance renews each day. **Any unused balance from the previous day cannot be refunded or carried over to the next.**

You can spend your £12 daily allowance as and when you like throughout the day. Once you've spent your £12, you will not have any funds until the next day.

The Flex Meal Plan is **loaded automatically onto your KentOne card** (student ID card). When purchasing a meal, simply tap your KentOne card on the reader at the till, and your allowance will be deducted.

If a meal costs more than £12, you will need to pay the remaining difference yourself.

Please note: Kent is a cashless campus; we are unable to accept banknotes and coins. Students can purchase goods using debit/credit card, Google Pay, Apple Pay, KentOne card credit, etc.

Lost KentOne (Student ID) cards

KentOne cards remain the property of the University of Kent at all times.

If you have lost your KentOne student ID card, you will need to order a replacement KentOne card [online](#). Doing this as soon as possible will reduce the chance of others using it. There may be a fee for a replacement card. For further enquiries, please email lostcards@kent.ac.uk.

Any credit on your card will be transferred over to your replacement card.

The University is not responsible for losses incurred by lost or stolen cards.

Flex Meal Plan holders are liable to compensate losses due to fraudulent use.

KentOne cards are non-transferrable and only the registered card holder can use them.

Termly Flex Meal Plan refunds

The value of missed meals cannot be refunded, transferred, or rolled over to another day.

The University will not refund the cash total of missed allowance if you buy the Termly Flex Meal Plan after **Saturday 13 January 2023**, or any subsequent allowance tokens after this date.

You may cancel your Flex Meal Plan at any time within the 14-day cooling-off period. During the 14 days, you can cancel for any reason and get your money back for any unused tokens. Your cooling-off period begins the day after you start using the Flex Meal Plan.

Cancellations after the 14-day cooling-off period will be at the discretion of the Catering Department.

To exercise your right of cancellation, you must give written notice to us at catering@kent.ac.uk

Refunds will be processed via the same method used by you to purchase the Termly Flex Meal Plan.

Please note: The University is not responsible or in breach of service if unable to provide meal services in any catering outlet due to force majeure or any other unforeseen circumstances beyond the University's control. In these situations, the University will not refund the value of lost meals. Wherever practical, meals will be provided in another unaffected outlet, however this cannot be guaranteed.
