

Campus Shuttle Timetable: From 15th January 2024

The Transport Team are working with Zeelo to monitor the passenger numbers. This timetable may be subject to change if coaches are operating at a low capacity or empty on a regular basis. All updates of any disruption or changes to the timetable are advertised on the [@CampusShuttle twitter feed](#). Please note that the service only operates during term time and the journey time is approximately 45/50 minutes; although this is dependent upon traffic.

Zeelo are currently working closely alongside the University's IS Team to introduce a new booking system by the end of March 2024. **Until the booking system is live, you will need to have your KentOne Card with you to show the driver.** By boarding the coach, you agree to [Zeelo's Terms of Service](#).
