The EP Rewards Pack

Get Rewarded with the EP Scheme!

The EP Rewards Pack is your comprehensive guide, providing information on all the EP rewards available for this summer!

Key dates:

Points deadline:	10th March 2025
Application form to be completed:	25th March 2025
Interview Invites:	Late April 2025
Interviews:	5th May - 16th May 2025

Applying for EP Rewards

Rewards

- You can apply for as many rewards as you have points for – we recommend that you apply for at least four different types of reward!
- We only redeem points upon a successful application – points will roll over if not used.
- We strongly recommend that you apply for at least one ‘non-work’ based reward. All rewards will benefit your employability.
- If you have 200 points, you can only apply for up to four paid internships. You can apply for as many of the other rewards you want to get involved in, providing you have the points.
- Please read each opportunity carefully. Not all will include travel costs. Some will have specific requirements.
- We cannot guarantee all students will be rewarded, but we will aspire to help you where we can.
- All dates are subject to change and some companies may be flexible on dates as per the candidate.
- You can apply if you are an Undergraduate, Postgraduate, Postgraduate Research, EU, or international student. Please check the opportunity carefully as some restrictions may apply.
- While there are recommendations about which schools students should apply from, if you are interested in a reward, apply anyway. They are our recommendations, rather than the employers. The employer will take on students from other disciplines. Some rewards have additional criteria.
- Need accommodation throughout the summer? Contact stay@kent.ac.uk or click [here](#).

Applications – What are we looking for?

- Treat this opportunity as a job application. Answer the application questions with the same level of detail as you would a full time job. This will help with the shortlisting process and your answers will be shared with the employers. Proof read your application – check spelling, grammar and punctuation.
- Research the company and the role you are applying for.
- Don't use AI to write your application. It has been caught multiple times by our team when shortlisting.
- If you need help with your application, [book a quick advice appointment with the CES team](#).

Interview Process

- If you are invited to attend an interview, you must dress professionally (even if it is a video interview). Please contact employabilitypoints@kent.ac.uk for guidance if needed.
- If you are offered an internship or project placement, please ensure an employment contract is established between you and the company. If you are concerned about this, please contact the team.
- Ask when the reward will start and end, if a date has not been confirmed.
- Do you need any reasonable adjustments ahead of the interview, or any other support? Please contact careerhelp@kent.ac.uk or the EP team.

During the Reward

- It is your responsibility to arrange accommodation and travel during the reward. See above for help.
- Ensure you dress and act professionally during the reward.
- A member of the EP team may undertake a visit to see how things are going during work based rewards. The team may ask to take photos for marketing purposes. We may interview you and use a quote from you on our website, social media sites, or for promotional material, but will ask your permission first and for you to sign a consent form before using your image.
- If there are issues with attendance or punctuality, please communicate this with the employer as soon as you can. As this is employment, follow the procedure of the company. If you do not feel as if you can speak to them, please email us at employabilitypoints@kent.ac.uk and we are happy to let them know what is happening.

EU and International Students

The United Kingdom's departure from the European Union in 2022 has impacted the way EU students can undertake EP rewards. If you are an EU student who arrived in the UK since the 1st January 2022, you are required to adhere to Student Visa restrictions (see below).

If you are studying at the University of Kent on a Tier 4/Student Visa, you must not work for more hours than stated on your visa (usually 10/20 hours during term time). If you need clarification on your availability to work, please speak to Kent Students' Union's Advice Centre.

If you are studying a postgraduate degree while on a Student/Tier 4 Visa, please note some EP rewards can be completed from September onwards.

For paid internships, it is your responsibility to ensure you have a National Insurance number.

The EP Scheme looks to ensure that all EP rewards are available to all students, but unfortunately some are restricted based on nationality. In these instances, the restrictions mirror the employer's recruitment policy.

Postgraduate Students

If you are unable to commit to undertaking an internship or work experience placement in the June-September period due to academic and/or visa restrictions, please note, a number of these rewards can be completed September-November. This will be identified throughout the Rewards Pack.

Travel Expenses

For unpaid work experience placements, and some work shadowing placements, the employing company may provide the reward winner with assistance with travel costs (to a certain extent). If the company is providing assistance with the cost of travel, this will be identified for each reward in the relevant section of the Rewards Pack.

If travel costs are not available directly from the employing company, you may be able to claim a bursary from the Careers and Employability Service. Funds are only available for unpaid work experience/shadowing and 1-day insight days (including company experiences). This is through the [Kent Career Fund](#). Please note, the allocation of funds is not guaranteed: funding is limited and is allocated on a 'first come, first served' basis, following the completion of the bursary application and claims process. It is essential that all expenses are supported by receipts. Therefore, the payment, if applicable, will only be provided following the conclusion of your work experience placement.

The full Terms and Conditions and application form can be viewed [here](#). For more information regarding funding support, [please contact the EP team](#).

Divisional Recommendations

Look out for recommendations for your academic division. You are not limited to apply for these, but they provide a general indication if the reward relates to your academic studies.

Privacy Notice

If you apply for rewards, the EP team may need to send some of your data to respective employers. This may include:

- Your name
- Your University of Kent email address
- Your stage of study
- Your telephone number
- Your home and/or term address
- Your course of study and/or academic school
- Information relating to whether you are studying on a Tier 4 visa
- Information on whether you have applied for the EU Settlement Scheme.
- Your nationality

This information will only be used to arrange interviews (if being arranged directly between you and the employer), coordinate the commencement of rewards, arrange employment contracts, undertake right to work checks, references (if required), security checks (for specific rewards, which are identified in the Rewards Pack) and to coordinate off-site experience days.

This information will not be used for any further purpose.

This information will be held by the Employability Points team, part of the Careers and Employability Service, until the completion of all EP rewards (June 2025 or sooner). Once the data is shared with an employer, this information will be held in accordance with their respective privacy notice.

If you have any questions, please contact the Employability Points team via employabilitypoints@kent.ac.uk.

You can view our Privacy Notice [here](#).

For further information about how student data is used at Kent please see the [Student Enrolment Privacy Notice](#).

"The scheme has been very supportive of me and they should not hesitate to ask questions regarding any internship advertised by the Team." - Kelvin, 2018

Opportunities Explained

Internship – 200 points

Temporary work placements within a company that pay minimum wage, or above, and last between 4 weeks and 3 months over the summer vacation period.

Project Placement – 175 points

Project placements are positions working on a particular project, which may have a flexible start/end date and will require a certain amount of expertise. Some projects are to be undertaken remotely.

Work Experience (Short-term internships) Placement – 150 points

Work experience placements are short-term unpaid internships, usually lasting between 2-3 weeks. Students will be expected to undertake work on their own initiative, under the supervision of a mentor.

Training – 125 points

A number of companies offer in-house or external training and development, and in some cases may even provide training as an external consultant. These courses are extremely valuable for students.

Work Shadowing Placement – 100 points

These allow students to 'buddy' existing employees within a company to find out what a 'day in the life of...' is really like. In many instances, this is a chance to shadow a senior member of the company!

Company Experience – 75 points

A unique experience day, which can involve tours, networking lunches and more!

Skills Development – 50 Points

Skills development sessions are run by company representatives who have expertise in a particular area or skill-base.

Fireside Chat – 50 points

The opportunity to spend some time with an industry expert, gaining valuable advice and guidance.

Raffle – 50 points

The chance to be entered into a raffle to win a University of Kent hoodie.

Martina - AbBaltis Intern 2023

CASE STUDIES

“The day in a life of a TMLEP intern is anything but boring! I have managed my own cases with assistance from my supervisor and have helped provide evidence from anything from an issue over a missed prescription to a very sad case of a child undergoing complex spinal surgery.”

Christina - Internship with TMLEP In 2019.

“It’s an excellent way of motivating you to get more involved – coming to university should be about the whole experience, making connections, networking, building your skills – it’s so easy to collect points by getting a bit more involved in university life, and you can cash them in for amazing opportunities!”

Catalina & Sandra - Internship with Reflect Digital in 2023.

“Just do it! It doesn’t take long to build up your points, and although the motivation is to get enough to apply for the rewards at the end of the year, you will learn so much just by doing the workshops and other activities!”

Beccy – Internship with Medway Norse In 2022.

CASE STUDIES

“I was very keen to give as much as I could to the council, and in return they did as much as they could to develop my skills through training opportunities and tailored my experience to align with my own political interests.”

Harvey - Youth work internship with Medway Council in 2022.

“The culture, the people and the work ethic at FX are great, and I've been able to feel really involved in their work, being given the opportunity to implement a lot myself – so much so that it really doesn't feel like an internship at all! My time here has certainly set the bar very high for future opportunities.”

Taha - Internship with FX Digital in 2022.

“I particularly enjoyed gaining experience in a small business; the workload was broad, I was required to develop knowledge quickly and was able to engage with colleagues across the whole organisation... internships are invaluable... the value is so significant to both the business and the interns.”

Hope & Sreekumaran – Internship with eXroid in 2022.

CASE STUDIES

"This experience has not only bolstered my learning, but has really given me the confidence that I am right in my choice to change to this career path. It's something that I am finding more and more enjoyment in, with every day feeling like I'm just having fun as opposed to doing any sort of work."

Tom – Work Experience with Digitom in 2022.

"The people in the firm were really friendly, and we have been given plenty of opportunity to pick the brains of paralegals, trainees, associates and partners alike... We have spent time learning more about the process and procedures in court, shadowing team members for client meetings, and spending time doing in depth research to support cases."

Zalnickia, Emily, Jiheh & Kamila - Work Experience with Judge & Priestly in 2022.

"It's very interesting archiving these tiny pieces of history. It's nice to have been given this responsibility, I have been working quite independently but can ask for help if I need it. I feel like I'm really getting ahead of the game by having the opportunity to volunteer here. I would definitely recommend this reward to others!"

George – Work Experience with Royal Engineers Museum in 2018.

CASE STUDIES

"The best defence relies on a deep understanding of the country's needs and its strategic positioning within the context of global challenges and threats. I am glad to work with DSTL to enhance the exchange of best practices across countries and sectors, and develop a comprehensive approach to understand problems and find effective solutions."

Sabrina - Work Experience with DSTL in 2018.

"The role has allowed me to gain confidence and required me to take the initiative with each day being different...from the work I have done, I now know what it is like to be an archivist, but more so, from watching Claire [Archive and Collections Care Officer] I've seen how the role can be varied and interesting."

Thomas - Work Experience with The Historic Dockyard Chatham in 2019.

"This placement has been an extraordinary opportunity for me to gain pragmatic work experience in the accounting industry. Although working with the job specific software was challenging, learning how to use it was rewarding and allowed me to improve my skills. The work environment was really welcoming and vibrant as well as being professional and productive."

Lucia - Internship with McCabe Ford Williams Chartered Accountants in 2019.
