Learn differently

Inspiring lecturers, superb facilities and study abroad or year in industry options give you a fantastic study experience.

Your future You'll develop the skills to excel in your career. Careers advice is on hand and you'll have the chance to talk to leading companies and our graduates at regular careers events.

We're here for you

Professional practitioners provide mental health, wellbeing, disability and academic support.

Perfect locations Great places to live and learn, our locations give you the best of all worlds, a campus experience with historic cities, countryside and the coast nearby. Take the train to London or the ferry to Europe.

It can be scary going to university. You feel that you're on your own but that's not how it is at Kent, there's so much support here, you'll always find someone to help.

— Andrew

Welcome Week is brilliant. All the teams and societies have stalls and you can sign up to whatever interests you. I think the best thing about uni is all the people you meet while you're here. Getting to know people is easy; we're all in the same boat.

— Harry

LEARN Differently

Our progressive approach helps you to excel academically, while gaining the skills you need for a rewarding career. On our courses, your knowledge and confidence grow side by side. Each term you're assessed on what you've learnt and each year builds on the last.

The course

You'll find that career skills are embedded in every module, study is spread over the year and your timetable is built to fit in study, work and life.

The experts

Inspiring and supportive, your lecturers give you the confidence to be creative and take risks.

The facilities

Industry-standard facilities, a magnificent library, extensive online resources, group and silent study areas – you'll have all you need to succeed.

The support

You'll have a dedicated Academic Adviser, plus support from our Skills for Academic Success team including presentation advice, skills guides and revision planning.

Learning from such passionate people is so beneficial. It's not just their knowledge and expertise that's impressive, it's their determination to pass that on to you.

– Adrianna

Watch a video to find out how you'll learn at Kent.

YOUR FUTURE

I'd definitely recommend the year in industry, I spent a year working at a tech company in the City of London, it was an incredibly positive experience for me, and I think it helped me secure a job after graduation.

— Felix, Business graduate

93.4%

of graduates in employment 15 months after graduating - Graduate Outcomes Survey 2024

Experience counts

Stand out from the crowd by taking a paid year in industry. You'll get experience and many students say their grades in their final year improve. You may even be offered a job when you graduate.

Business connections

We talk to industry to ensure the career skills we embed in every module are the ones employers look for. And our industry-standard facilities give you a taste of professional life.

Insider knowledge You'll hear from business leaders in guest lectures, a chance to get an insight into how your career could progress, and to network.

Gain in-demand skills

You'll develop skills in problem-solving,

leadership and communication both on your course and by taking part in uni life. For example, you could:

- produce content in the Student Media Centre
- apply to be a student ambassador, you'll get training and paid work at Kent
- run a society or team.

Professional advice

Our Careers Service provides extensive online resources, one-to-one careers appointments, and runs hundreds of events where you can meet prospective employers. You can earn exclusive work experience opportunities on the Employability Points Scheme.

Work opportunities

Run by Kent Students' Union, JobShop can help you find part-time work.

Your Canterbury

You'll find outstanding academic facilities, brilliant indoor and outdoor sports spaces, cafés, restaurants, a cinema and theatre, the Venue (largest club in Canterbury!), and plenty of space to walk or cycle. And with students from over 100 different nationalities, you'll have friends from all over the world.

The campus is the perfect size, not too overwhelming, not too overwhelming, there's a lot of nature around, and plenty to do. It's very diverse and everyone helps each other out.

– Julia Stanovnik

With our green campus and lively city, we have the best of both worlds.

– MJ

Watch our campus tour video.

A gorgeous city, Canterbury is just a 25-minute walk from campus. Medieval alleyways and cobbled streets are home to the biggest names in retail, vintage shops, cinemas, a theatre, museums, galleries as well as clubs, cafés and bars. Diverse, creative and dynamic, it's a very student-friendly city.

From Canterbury you can be in London in under an hour; at the beach in half an hour and you're surrounded by historic woodland!

In Canterbury there's so much history and plenty to do, lots of different quirky pubs with their own style; there's something for everyone. Westgate Gardens is lovely.

— Tom

Your Medway

Friendly and compact, you'll soon feel at home at Medway. Beautiful historic buildings have been renovated to house superb academic facilities as well as a restaurant, cafés and the Deep End, a café/bar run by the student union.

In our flat we created a kitchen schedule, then added all our birthdays. Since then we've been throwing parties for everyone – I always add some Turkish music to the playlist!

– Beyke

We all meet in the Deep End. There are regular events run by the student union and societies for all students to enjoy.

– DJ

Watch our campus tour video.

You'll find lots to do in the local towns of Rochester and Chatham. Relax in the cafés and bars, visit the cinema or theatre and explore the area's history. For green space, visit a countryside park or take a riverside walk.

Medway's fantastic transport links give you lots of options. London is less than an hour away by train, or if you want to stay local, take the train to the beach or the bus to Bluewater shopping centre, with over 300 shops and 50 restaurants.

I love it here, Medway really is a wonderful place. Everyone's so friendly; local students help you discover the area and you meet people from all over the world.

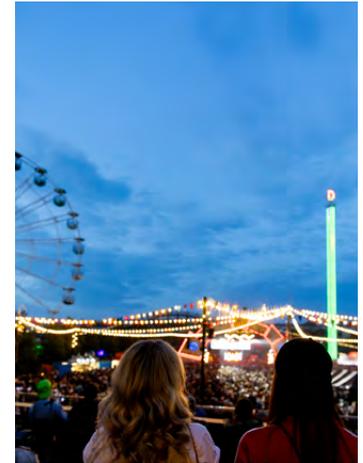

— Amarachi

PLACES TO EXPLORE

Kent, the Garden of England, offers the perfect mix of history and adventure. Historic castles or sandcastles, stunning coastlines or countryside walks, galleries, museums, clubs, theatres, the best fish and chips are all on your doorstep.

And then there's London. Take a train from Canterbury or Medway and you'll be in London, one of the world's greatest cities, in under an hour. Or explore mainland Europe, take a day trip to France by train or ferry.

Get involved

Student life at Kent is as busy as you want it to be. You can take part in sports, join societies, enjoy nights out, or nights in, with friends. Whatever you do, it'll be a time you'll always remember.

'I joined the Stand-up Comedy Society. I had no intention of performing, but I've done 12 gigs now and I absolutely love it!'

— Gabby

Watch our student life video.

I play netball for the first team, we've won too many games to count!

— Toni

My favourite night out on campus is Vensday at Venue. It's always busy, all societies are there and it's just a fun night out.

— MJ

Being involved in music at Kent is a fantastic opportunity and the Colyer-Fergusson concert hall is amazing, wonderful to perform in.

— Lois

I joined the Korfball Society, where I competed for Team Kent at BUCS. Despite starting as a beginner, the supportive environment made me feel very comfortable.

— Jonny

The Kent Community Oasis Garden is a space where students can learn about sustainable gardening and socialise. If you don't know anything about gardening, don't let that stop you!
