Fake Emails impersonating NHS/Yodel

A Kent resident has contacted us to make us aware are malicious emails circulating purporting to be from couriers, relating to the delivery of NHS testing kits.

He received one impersonating "Yodel" asking him to forward details back to them so they could deliver a home bowel-screening kit.

He stated that are very realistic, however, when he checked the sending address, it did not match either Yodel or the NHS email addresses.

You can report fake emails at report@phishing.gov.uk

If you have been a victim of any type of scam, then contact your Bank immediately, which you can do by calling 159 and report it to Action Fraud at www.actionfraud.police.uk or call 0300 123 2040.
